

Certificate of Registration

INFORMATION SECURITY MANAGEMENT SYSTEM – ISO/IEC 27001:2022

The Certification Body of Prescient Security LLC hereby certifies that the following organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2022.

Bruin Data Limited

80 Ashton Road, Denton, Manchester, England, M34 3JF

for the following scope of registration

The scope of the ISO/IEC 27001:2022 certification is limited to the Information Security Management System (ISMS) supporting Bruin Data Limited's Design, development, operation, and maintenance of the Bruin platform (including Bruin CLI, Bruin Cloud, ingestion, transformation, orchestration, data quality, governance, and AI-agent/MCP integrations). The scope also includes the infrastructure hosted on DigitalOcean, Google Cloud Platform (GCP). Following departments are part of the scope: Engineering (AI, Infrastructure, and User-facing teams), Product, Developer Relations and Marketing, and Executive Management (governance, risk, and security/compliance oversight).

This is in accordance with the Statement of Applicability version 3.0, dated July 16, 2026.

CERTIFICATE NUMBER: 123371 (Issue 1)

Original Issue Date	August 19, 2026
Latest Revision Date	NA
Valid Until	August 18, 2029

This certificate remains valid subject to satisfactory surveillance audits.

No activity of the organization within the scope of certification is undertaken at a defined physical location – all in-scope activities of the organization are conducted remotely.
